**ACKNOWLEDGEMENT OF RISK AND
RELEASE AND WAIVER OF LIABILITY FORM
(THIS FORM MUST BE READ AND SIGNED TO PARTICIPATE)**

I hereby apply to participate in the 8 week Canine Conditioning Foundation Programme.

As you are bringing a dog to participate on this course you will be exercising your dog in a new way, these exercises can be very tiring and your dog will only be working for short periods at one time. It is your responsibility to ensure your dog is in good condition, and not lame without diagnosis prior to the course. The instructor will be keeping a close eye on your dog, however it is entirely your responsibility to ensure your dog's welfare needs are being met at all times. Please discuss your dog's needs with the instructor before attending.

We will be working the dogs in an enclosed space with other dogs; your dog must be familiar with this scenario. Please note this is not a behaviour training class, stressed, disruptive or aggressive dogs will not be able to attend. The handler of the dog must have full control of their dog at all times and there will be no liability taken by the course providers for any injury or damage that may occur to any persons, animals or property.

I agree that I fully understand that there are inherent risks and dangers in the participation in the above activity. My participation in the Canine Conditioning activities and use of any equipment related to such activities may result in injury to persons/ dogs and/ or damage to personal property.
